Dear Friends.

I have just returned from our UBS service at Barrow and what a joyous event it was!

Paul and Della really enjoyed the day and wasn't it nice to see Tony and Caroline again.

Being in the Ministry team at Trent & Derwent is the best job in the world.

Thanks to all who contributed to the Service, catering, gift for Paul and flowers for Della.

The last time I wrote for the magazine I had just returned from the island of Patmos where St John wrote the book of Revelations. I'm on my travels again soon to the Island of Cyprus. On the 1st October I am visiting Larnaca. The main Church in Larnaca is dedicated to Lazarus where he is buried. Lazarus was a close friend of our Lord as well as his sisters Mary and Martha. Expect a lot of mentions in future sermons 😊

I have been taking a lot of funerals recently so Lazarus has been mentioned frequently. It is a blessing that Jesus knows all about our personal grief.

Blessings,

Bruce

Review of 'Testimony of Light'.

Testimony of Light by Helen Greaves (Neville Spearman Ltd, 1969; 5 + 132pp; £3.25 (then, now £13.29 on Amazon). Reviewed by the Revd Neil Broadbent, Vice President of the CFPSS and Director of the Sozein Trust.

This delightful book was described many years ago as 'A glass of Spiritual champagne' by the Churches Fellowship News. It may be that the many newer members we now have, thanks to Jo and Matt Arnold, may not be aware of its contents, so I thought I'd review it. The urge to do so came in a dream.

This was first published in 1969 and for many years was reprinted annually by the CFPSS. It has a Foreword by Lieutenant Colonel R M Lester who was the Founder and Vice-president of the CFPSS followed by a Preface by Canon J D Pearce-Higgins who was a Vice Chairman. This book is the result of telepathy between the living and what we call the dead; the result of communion between the minds of two close friends either side of the veil. The book consists of a foreword, a Preface and a Biographical Introduction, followed by Part I which has The Return and the Scripts and a Part II which contains an Explanation and a Second Series of Scripts. The two close friends were Helen Greaves who wrote the book and her friend Frances Banks who has passed over into the next life.

Apart from a personal communication from a deceased relative (which, being personal, I shall follow Helen Greaves' example and not discuss) it was the discovery of this text on the CFPSS bookstall and my reading of it which convinced me of the survival of death after this life. It also persuaded me to take up the practice of celebrating Requiem Eucharists, in part, for healing the haunted souls in this life. Let me quote a passage from pp.22-3:-'One evening, a Sunday, about three weeks after Frances's death, as I was sitting alone beside my fire listening to radio music, I gradually became aware of a Presence. The air seemed to take on a great stillness and a hush of expectancy. I switched off the radio and allowed myself to relax into this peace. No thought of a possible communicator from another world occurred to me. No word was spoken in my mind. I was very still and quiescent. Slowly my whole being seems to be caught up into a peace and beauty that I cannot describe. This beauty was both around me and within me. Almost imperceptibly I passed into a state of deep meditation in which I was conscious of being immersed in light. I was part of the Light yet the Light issued from beyond me. I felt a One-ness with all that was highest and best and with the eternal self within me. I felt the nearness of spiritual Presences. I was swept on into a meditation in which Frances and I had participated some years before. I even heard my mind repeating invocations from that meditation...Gently, and with great reverence, it was borne in upon me that I was not only in touch with my own immortal soul, but also with the soul of Frances Banks. This was Communion, silent, still, uplifting; a Communion emptied of all personality challenges, of all limiting human conceptions. This was Communion at soul level. I felt lifted out of myself into wonder and love and light. The experience lasted for about a half-hour. Then it slowly faded. I sat on utterly at peace, with no thoughts threading through the stillness of my mind. I did not even try to analyse what had happened in this immortal moment; I was content to 'be'.'

Frances discovers that 'psychic and spiritual communication are but different levels of one spiral; that communion is of the spirit, and therefore of a higher level than psychic interpenetration or extra-sensory perception. . She learns that 'here there is no ...punishment, except what you mete out to yourself!

She discovers that death is “Life separated by density that is all!” “In the next life as one thinks...one *is*. One comes to a stage when one is shown the whole cycle of one’s life in a kaleidoscopic series of pictures. During this crisis, one seems to be entirely alone. Yours is the judgement. You stand at your own bar of judgement. You make your own decisions. You take your own blame... You are accused, the judge and the jury.

Because this plane is only a few rungs are so higher than the Earth plane, there are the same conditions,

hospitals, as with your civilisations, and prisons, only here they are self-made. You see how this purgatorial experience works? We don’t alter fundamentally. But bit by bit, we move away from earth ideas and limitations, and advance more into Light and Wisdom. On page 60 we read ‘I am trying to shed some of the clutter of the personality. We all have to do that... And there are three ways in which to carry it out here. By self-judgement, and true assessment of experiences; by service to one’s fellows; and by aspiration. Not so different you will say from the Earth Life after all! But oh, with so many, many compensations!’

Frances is guided by a Father Joseph who tells her that a Nazi patient in celestial receiving hospital ‘is still the same; inert, motionless, shut up in the shell of himself. A shell indeed and that he may remain like this for many years.

My goodness, I find this so exciting that I could read the whole book to you. Instead I recommend that you go and buy the book yourself.

THANKS AND CELEBRATION

At St Wilfrid's Church Barrow very recently a celebration of Paul Hygate's 15 years of ministry in the benefice took place at the end of the morning service. A large congregation was there to welcome both him and Della and a gift from the whole benefice was presented to him plus a wooden plate with a picture of All Saint's church on it from Aston PCC. Flowers were presented to Della. A large Bring and Share lunch was enjoyed by everyone in a really convivial atmosphere.

Following this event, Paul emailed me with this message for everyone (Ed)

'I'd just like to say thank you so much to everyone who came to Barrow church to say goodbye to me, and everyone who contributed to my generous present.

I thought I had many more years of ministry in me, but the diocese had other ideas.

It has been such a privilege to share your lives for the last 15 years, I have thoroughly enjoyed it, although I am enjoying a bit more free time now. I'm so glad all the parish reps are doing such a good job of keeping the show on the road, hopefully until the new person starts.

I am sure they will enjoy it as much as I did.

We have such a lovely group of churches and such lovely congregations.

Ministry is unlike anything else, more being than doing I think. And I will never forget all of you.

Thank you for enriching my life

All the best

Aston and Weston Mothers' Union

After all the summer sunshine, it was a very wet morning on the day of our Garden meeting. We wondered if Evadne would still welcome us, but she did happily and we all had a lovely time sitting in her busy kitchen. We worked through a good quiz, a card and tombola game, some delicious tea and home-made cakes and somehow at the same time raising over £70 for MU funds.

The September meeting, which we traditionally call the Welcoming Service, because it is the beginning of the Autumn programme and a good time to enrol a new member, was led by the new Diocesan MU Chaplain, Rev. Michael Futers. We hope it all went well and we were able to get to know Michael on his first visit to All Saints'.

The October meeting is different from the programme as the speaker from the Leprosy Mission is now coming in February so we are going to have an informal afternoon looking at some of Mike Edge's pictures, both local and holiday ones. This will be the last chance for a fund-raising stall this year and it's a bit different from usual. It is basically an inexpensive card stall and for it we are asked to bring any spare single cards we may have surplus to requirements, like a spare Birthday card, a single Christmas card or a left-over notelet. Also we'd like to include anything we have, but no longer need, for Christmas decorations that others might enjoy.

Please come along to the October meeting and bring a friend. Everyone is welcome to the Heritage Centre, on Thursday October 23rd at 2.30pm and there will be the usual refreshments.

CAMEO

That was quite a summer! Now we can all look forward to a colourful autumn as the year progresses.

Our new programme of events after the summer break started well with a talk by Lesley Moran on the benefits of regular Pilates exercises and a short audience participation demonstration to follow. The tea and biscuits afterwards were very welcome and well deserved. It was lovely to see so many ladies again and catch up on the happenings of the summer.

The next meeting will be on October 1st and will be a talk by Peter Jesper all about bee keeping.

We are so very grateful to Marion Glover for all the hard work and time that she gave to CAMEO, leading the group for the past several years. Elaine Selby and Vov Windsor will do their best to keep the meetings going in this landmark year that will see CAMEO reach its 70th anniversary. We look forward to seeing all our members, both old and new, in the coming months.

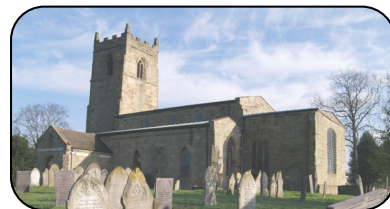

Welcome back everyone!

Patronal Festival

We welcomed people from far and wide to our Patronal festival held over August bank holiday weekend. We were delighted with the many appreciative comments from people, many of whom had never visited the church before. It was also good to see friends from the local community. We had three days of warm, sunny weather, so people were able to make the most of the outdoor space, and the views from the tower roof. To those who mowed, advertised, cleaned, decorated, baked cakes, made jam, donated toys, books and jigsaws, prepared hampers, served refreshments, showed people around the church, cleaned up afterwards or helped in any other way, our grateful thanks

Visits by u3a Charnwood and 131st Scout group

In September we had visits to the church by two very different groups!

On September 9th, we welcomed about 16 members of a group from Charnwood University of the Third Age, which studies local churches. The group had been to churches at Lockington and Castle Donington in the morning, and came to St Bartholomew's in the afternoon. The group were given a tour of the church and then spent time discussing various features, monuments and memorials. There was a lot of expertise among the group, so we had a real sharing of information, which benefitted us all.

On the evening of September 17th we had a visit from the 131st Scout group, based at Boulton Lane Baptist Church in Alvaston. The group had already made visits to the castle and country park, and were keen to visit the church, as part of their badge work. We welcomed 12 Beavers, aged 6-8, and 16 Cubs, aged 8-10, and their leaders. The Squirrels, aged 4-6, did an activity outside but were brought into the church briefly to see what their older siblings and friends were doing!

The children were all very interested, engaged and asked lots of questions. They were also all impeccably well behaved. The younger ones completed a quiz in which they had to identify various items in the church. We hope to continue the association with the group and look forward to more visits in the future.

Harvest Festival

Our service in October will be our Harvest Festival. We always enjoy decorating the church for this special service, when we celebrate and thank God for nature and the food from the harvest. This year we will be decorating for the church on Saturday October 11th from 10.00am. All helpers are very welcome and if you wish to bring any foliage, produce or flowers to add to the decorations, we can always find another vase or windowsill to fill! As usual we will be collecting donations of tinned or packet groceries or toiletries which will be given to a local food bank.

Autumn Big Clean Up

Thank you to everyone who turned up to help on our Clean Up morning. It was lovely to see so many people and many hands definitely made light work. The church was glowing afterwards having had a really good dusting, polishing, mopping and vacuuming, even in those awkward hard to reach places! There wasn't a cobweb left by the time we had finished! Special thanks to those who tackled brambles and weeds in the churchyard and extra special thanks to Hayley for the yummy lemon drizzle cake which kept us going!!

Storm Amy

St James's was a victim of a freak blast of wind from Storm Amy recently. Several roof slates were blown from the roof and have created a hazard in the churchyard. The area has been taped off and we are in the process of getting repairs made, but in the meantime please take care when walking around the church.

If you want to keep up with our news more regularly, please look for and like our Facebook page – you'll find photos and snippets about happenings at St James' and Swarkestone are added most weeks. <https://www.facebook.com/StJamesChurchSwarkestone>

13th September was Heritage Day across the country and

many churches and historical buildings were open to the general public. St Andrew's Church which is open every day throughout the year staged a display of local history and a steady stream of people visited during the afternoon. Earlier in the year a handmade replica of the Ferry Boat at Twyford had been donated to church which was on display. Many thanks to the gentleman who made the boat and for kindly donating it to St. Andrew's Church. Homemade cake and tea was served and a sum of £160.00 was raised for Church funds. A big thank you to everyone for the hard work to stage the event and for the support.

CHURCH MEETINGS.

28/8/25. PCC MEETING. This was the first meeting held by the new PCC members, of which there are now 7. The meeting was chaired by Steve Short, the Area Dean. Amongst the many things discussed we heard that, up to the end of July, the restoration fund account was £21338.35. As the cost of the restoration is estimated at £250000. and rising, we still have quite a way to go!

14/8/25. FRIENDS OF CHURCH MEETING. This was well attended by a large group of "friends", old and new. The main topic under discussion was the final arrangements for Derbyshire Day. (From all accounts this was a successful event with £1300 + raised for church funds Ed)

EXCITING FINDS IN CHURCH.

On 21/8/25 we had some visitors to church looking at the old graffiti carved in the porch and other places, some of which are thought to be done by Oliver Cromwell's soldiers. Although the graffiti has been staring us in the face for years we had not noticed a lot of the things, until they were pointed out to us! Our own Dorothy discovered a shepherd's crook, which no one had noticed before. Whilst we were all very thrilled by the graffiti, one of the visitors had a walk round church and got very excited about the door at the right of the altar. He thought it was a 13th century medieval painted door, which is very rare; especially to be in the same place all those years. To look at, on the inside, it's not very spectacular but vague outlines of some sort of drawings can be seen. We are awaiting confirmation from an expert from Nottingham University, who has a computer programme which could possibly show what the door looked like originally.

The final amazing find was a rusty old key that was found inside the safe. This key actually fitted the door, and even though no one could remember when that door was last opened, actually opened the lock easily on the first turn! No WD40 needed!

Amazing stuff and exciting times!

THANKS.

A very big thank you to Dave, Pam, William and Helena for cleaning the steps up the church tower. This was to enable us to have trips up the tower on Derbyshire Day. Thanks also to everyone who designed the posters for Derbyshire Day and to all who helped put the posters up to advertise this event.

WESTON ON TRENT WI LATEST NEWS>

On 7/9.25 we had a well attended Pop Up Cafe at the village hall to raise funds for Hannah's Hope; our current charity. The cakes, bacon and sausage cobs, scones, etc were delicious. There was also a raffle and items for sale at bargain prices. The cafe, raffle and stall raised around £400. for the charity. Well done everyone!

At the meeting on 8/9/25, we heard what was involved in being a Celebrant (of anything a client wishes to celebrate!) and all the variety of events that were undertaken by them. It was very interesting and informative.

The next meeting is the History of Weston. It is thought that a lot of people will be interested in this so the meeting is being opened to anyone wishing to attend, along with the WI members.

St Mary's Weston on Trent has a new church notice at the end of the lane leading to the church. Very smart!

*The TEACHER
The RESILIENT SPIRIT
The PROUD GRANDMOTHER*

My name is Victoria Rodgers, though most people call me Vicky. I grew up as an only child, which fostered a close bond with my parents and encouraged me to develop strong friendships.

I attended Leavington College for Girls, which set the stage for my future. After university, I became a teacher, spending many years at St. Joseph's Convent, where my daughter also studied. My childhood included special moments like trips to Paris with my father and memorable school plays such as A Midsummer Night's Dream. I found joy in St John Ambulance Cadets, and later, my teaching career focused on science, with a bit of English due to my love for drama.

I married Roger, and we had two wonderful children. After his passing from Leukaemia, I found a second chance of happiness with Stan, who I met through lawn bowls. We enjoyed 15 happy years together before he passed. After some health challenges, I moved to Richmond Villages, where the care and community has been a great comfort. My family is my greatest pride, especially moments like my granddaughter Darcy's flute performance here at the village.

At 80, I believe in looking forward and embracing life's changes. Richmond Villages has given me a reason to keep going, with its welcoming environment and caring staff. My advice to others is to find joy in every moment and never give up on life's opportunities.

Every resident has a story, this is Vicky's. Move to Richmond Villages Aston-on-Trent and celebrate yours.

Does your child need help with English or Maths?

Here at Kip McGrath Derby South we provide individual small group tuition in English and Maths for children of all abilities aged 5 to 16 using only qualified and DBS checked teachers. Our Education Centre is based in Allenton and we currently offer both In Centre and Online tuition using bespoke Kip McGrath platforms. We're Ofsted registered and can accept working tax credits, universal credit, childcare vouchers and tax free childcare as payment.

Watch your child's learning and confidence grow with their own individual programme.
