**RECTOR'S REPORT**

**2021-2022**

It is hard to believe that it has been 3 years since we last had a Benefice Annual meeting and since I last wrote a formal report about the Benefice. So thank you for attending this evening's meeting. It is really good for us to get together from the different parishes in order to meet one another, hear what is happening in our different situations and encourage one another.

The Covid-19 pandemic has affected us in so many ways as a society and that is certainly reflected in our experience of being the Church during the last two years. There have been two periods when public worship was suspended for several months and, even when we were able to resume services again there were considerable restrictions in place. At the same time, we were not able to meet in our usual groups during the week either, which left many people feeling isolated and out of touch. Thankfully in all of the parishes people made a great effort to keep in touch by phone and many of us learnt the benefits as well as the disadvantages of Zoom! We also decided at the beginning of lockdown to record services and put them online, something which I have continued to do even after the resumption of public worship, as they continue to be appreciated by those people who for whatever reasons can no longer manage to attend church in person. The pandemic has taught us the importance of online provision and, in addition to the online services and the websites, several of our churches now have social media pages, which are very useful for getting people engaged with what is happening.

The pandemic has, needless to say, had an effect on the finances of the parishes. Periods, when the church has not been meeting for worship or when attendance was considerably reduced, have resulted in a massive downturn in income, particularly in those parishes where there was no scheme for regular giving. This has resulted in a considerable reduction in the ability to pay Common Fund allocations to the Diocese. In terms of congregational life, the pandemic has in many of the smaller parishes hastened a decline in attendance at worship which was already perceivable over many years. One of our parishes, Weston on Trent, has applied to the Bishop to be regarded as a "Festival Church" i.e. one which will only be offering public worship at certain significant times in the Church year. This may be on the cards for some of our other parishes too over the next few years.

Emerging from the pandemic gave us the opportunity to look afresh at the provision of services across the Benefice, which was particularly necessary as the number of available ministers has diminished over the last few years. Over the last four years 2 curates (Ed and Jane) have moved on, 1 retired priest (Ian) moved away, Suzanne and John decided that the time had come to officially "retire" from taking services and a newly licensed Reader (Graham), sadly died. I am very grateful to Paul and Bruce for their willingness to take services nearly every Sunday and to the Barrow "Team", who continue to lead worship themselves once a month.

If that all sounds like doom and gloom, let me inject a measure of optimism by describing some of the good things happening around the parishes:

**Twyford** Thanks to the efforts of Anne Bennett and other members of the congregation, we have been able to complete some significant and ongoing work to the fabric of St. Andrew's Church. Urgent work has been carried out on the spire and tower, the buttresses at the east end of the church and some of the windows. Further work will be needed on the rainwater goods and anything else shown up by this summer's inspection by the architect! We are having an Open Afternoon at Twyford on Saturday 18<sup>th</sup> June.

**Barrow** The congregation at St. Wilfrid's, assisted by a very active "Friends" group, have been pioneering what can be done with an ancient building in the 21<sup>st</sup> century both to preserve and to promote the heritage,

whilst also creating a space for the community to use. Thanks largely to support from the Heritage Lottery Fund, the church has been completely re-ordered, removing the pews and levelling the floor in order to create a more useable community space. The project focussed upon the heritage of the Church, particularly its fascinating links with the Knights of St. John. Since completion of the Transformation Project, the community space has been well-used (even hosting a wedding reception!) and a wonderful programme of events is underway, focussing on Heritage Talks, Heritage Workshops and Family Fun. Where else around here can you have a go at stone carving and do some family archaeology?!

**Swarkestone** The plans to convert the present transept meeting room into a better and more accessible community facility by screening it off from the main body of the church, lowering the floor to the level of the nave and building an extension, which will provide toilet and kitchen facilities and alternative access from outside the building, finally got underway at the beginning of 2021. The work took longer than expected, because of material shortages during the pandemic, but we officially opened the Harpur Room at our Open Day two weeks ago. I think Miss Airmyne Harpur-Crewe, whose legacy made this possible, would have been very pleased with the result. We also brought back a 16<sup>th</sup> century boar and coronet (Harpur family crest) from Calke Abbey, where they had been on loan for decades, and have rehoused them in a museum-quality cabinet in the chancel. We enjoy a good congregational life at our monthly service, which doesn't seem to have been adversely affected by the pandemic.

**Weston** The congregation at Weston was very small before the pandemic, but we sadly emerged from lockdown with four regular worshippers and a PCC of the Rector plus two! Following a meeting in the Autumn, we applied to become a Festival Church (as was mentioned earlier) and in the New Year appealed to the community for help with maintaining the church and churchyard. A public meeting in February attracted 60 people and we subsequently set up a Friends of St. Mary's Group with subsidiary groups for maintenance and cleaning, which have already done wonders in the church and its surroundings. Out of a difficult situation something positive seems to be emerging. We met this week with the Diocesan authorities to discuss two proposed projects for developing the churchyard to preserve wildlife and involve the community.

**Aston** Thankfully at Aston, we managed to bounce back fairly quickly from the pandemic and have recruited some new members in recent weeks. Also the finances were considerably helped by the fact that a good proportion of the congregation had joined the Parish Giving Scheme, which meant that they were still giving regularly to the church even when there were no services. The inability to hold our usual big fundraising events has, however, effected our overall income and we are well short of being able to pay our large Common Fund allocation in full. One positive outcome of the pandemic was the formation of a small choir, which now helps with leading the singing at our Sunday services. On the fabric side, we were able to build a new staircase under the tower to greatly improve the access to the ringing chamber. It has also enabled us to create a community library in the tower room, which has been well used by the people of the village. We had the church completely rewired and installed a new lighting system, which has made the church much brighter, especially on dull days. We have plans during the next 12 months to completely overhaul and renovate the pipe organ. It has been good to see many of the church groups meeting again after the restrictions of the past 2 years, which have probably made us realise how much we have taken for granted the importance of meeting together to support and encourage one another.

**Shardlow** Over the last 3 years, St. James' has had considerable work done to the stonework of the walls and the tower and everything has been completely re-roofed. The Hayward Room at the back of church has been modernised and made more comfortable with new lighting, heating, carpet and furniture. We have installed an electronically operated lock on the church door, which enables people to come in and use the library, which we have created in the Hayward Room. We are looking forward to opening the church for the Inland Port Festival on the 10<sup>th</sup> and 11<sup>th</sup> September. As at Weston, the regular congregation is now very small indeed and the possibility of becoming a Festival Church may need to be considered for Shardlow too in the near future.

**Elvaston** Much has been done at St. Bartholomew's in the last couple of years to encourage visitors. The trips up the tower have been especially popular and a good fundraiser. Sadly, we have temporarily suspended these while we investigate the health and safety issues arising from visitors climbing the tower.

We hope to begin them again soon. Elvaston still proves a very popular venue for weddings and funerals. We are looking forward to our Open Weekend at the end of August.

This is just a brief overview of some of the things, which have occupied the time and energy of many people in our congregations during the last two to three years. Please forgive me if I have failed to highlight something else of importance to you. I cannot mention everything, because so much goes into maintaining the presence and worship life of our churches, and I should therefore like to take this opportunity to thank the loyalty and faithfulness of the many people who, both publicly and in quieter, hidden ways give so much of their time, energy and money to the work of the church.

On a personal level. I should like to say a sincere thank you for the support you all give to me and to the other members of the team in our ministry. Your support for my family and for my involvement with Derby County and with the Kenya project is especially appreciated. As I write this, I leave for Kenya in 10 days' time and thanks to people's support I shall go to Chaddy Mission School equipped with a printer, stationery, toiletries and, yes, a lot of sanitary products!

### **BENEFICE 200 CLUB**

The winning numbers for May in the draw were 1<sup>st</sup> - 119, 2<sup>nd</sup> - 172 ( both Weston) 3<sup>rd</sup> - 133 (Aston).

The first prize number was assigned to a gentleman from Weston who, since re-joining last September, has sadly died. His family wished to keep the number in the draw and any winnings to be given to St Mary's church. Jayne and Craig have worked extremely hard recently to recruit new members for Weston to help the drive to increase the church's finances, their membership has gone up from 24 to 41 making the total membership of the 200 club 191 ( we are nearly at the 200 mark!).

Consequently the first prize of £191 has gone to St Mary's, I am sure they will be very grateful to the family for the extra windfall and well done to Jayne and Craig!

**Tony in Kenya** Please note that Tony will be in Kenya with the Derby County Community Trust from 21<sup>st</sup> May until 3<sup>rd</sup> June. In case of need, please contact Paul or Bruce or one of the churchwardens.

Tony would like to say a big thank you to the congregations for responding to his appeal for Chaddy Mission School. Lots of stationery and toiletries have been donated and thanks to the generous monetary gifts from the MU and others (over £300), he has been able to purchase 185 reusable sanitary pads for the teenage girls at the school, which will hopefully mean that they will not have to miss their schooling for several days each month. The products we have purchased will support an education programme, which some of the ladies in Tony's team are going to deliver while they are there. Your generosity will make such a difference to the lives of around 60 girls at Chaddy Mission. The proceeds of the Charity of the month collection at Aston for April have contributed to the purchase of a reconditioned printer, which will take up a lot of space in one of Tony's cases! It will enable the school to print its own exam papers and other materials, thus saving them money. On behalf of Pastor Geoffrey and the staff and children of Chaddy Mission School, a big thank you for your gifts!

The sun shone brightly on the occasion of our first May Fayre for three years. We were so grateful to everyone who supported this event and to those who erected and staffed the stalls, donated cakes and gifts and, of course, the members of the Social Group, who toiled away in the kitchen making the ploughperson's lunches!

We raised over £1100 pounds on the day. Well done, everyone!

## CAMEO

Our meeting 4th May by Andrew Field involved looking at slides of a long adventure he went on to travel the Camino de Santiago Pilgrimage around France and Spain. It was a very informative and a moving presentation of his journey.

On 1st June Gareth Howell will be giving a talk on 'Medieval Medicine'.

Everyone is welcome to come. Our meetings start at 7.30pm the first Wednesday of the month in the Heritage Centre, Aston-on-Trent, Derby.

So come and meet each other. If you need anymore information contact me : Cameo Leader Marion Glover 01332 792405

### **Aston and Weston Mother's Union**

We are all looking forward to our first Lunch Club outing this month, then shortly after that we shall all be celebrating the Platinum Jubilee of our Patron Queen Elizabeth II. She has been a symbol of inspiration for many and has promoted Christian values at home and abroad. When she has given a Christmas message broadcast she reminds us of the strength that can be found in the anchor of Christ.

At this time we reflect on her life of dedicated service to the Church, to the Mothers' Union and to people of all nations.

We look forward to all the village celebrations and the national ones too. We have used the July meeting to invite the Richmond Village choir to entertain us with celebration songs for a summer afternoon. They will sing in church and then we shall move to the Heritage Centre for refreshments. It is quite a large choir so we are appealing to all our members to bring suitable cakes so we can all enjoy Afternoon Tea after the concert. Please book the date – June 23<sup>rd</sup> at 2.30 in church. Everyone is welcome to bring a friend.

What an enjoyable occasion the May Fayre was. It was so good to be able to plan the first one for three years. Thank you to all members who helped with the stall in any way. Altogether the stall raised £120 which must be a record!

Tony is in Kenya with the Derby County Community Trust at present, but will be back by June 3<sup>rd</sup>. He has taken with him all the sanitary products donated by our members and friends from church, which he was so grateful for. They will be given to teenage girls at the school which Tony supports to avoid them having to take time off school. He goes with our love and prayers.

### **Aston on Trent Women's Institute**

We hope everyone has enjoyed the Platinum Jubilee Celebrations, a special thank you to everyone that has volunteered over the bank holiday, it makes our village the friendly community we love. We are now looking forward to our village well dressing weekend, these events would not be as successful as they are, without the help of volunteers, even half an hour of your time, is very much appreciated and of course we never turn away a donation of cake!!

26<sup>th</sup> May at 10am clay puddling, bring your old clothes and shoes for this special clay treatment for your hands (I have only seen one person do it with their feet).

**7<sup>th</sup> June 10:30 Coffee & Chat in The Heritage Centre.** *Donations of cakes welcome.*

27<sup>th</sup> June to 1<sup>st</sup> July, Petaling!! The best bit of well dressing for some. 10:00am -12:00, 2:00pm - 4:00pm, and 6:30pm – 8:30pm. If you are passing, please don't be shy come and say hello.

We are still collecting donations for our usual games and produce stalls during the Well Dressing Weekend. Items needed: Gifts, gift bags, cuddly toys, jigsaws, books, plants, preserves, and Cakes!! And please remember to put your name down on the stall rota for Saturday 2<sup>nd</sup> and/or Sunday 3<sup>rd</sup> July.

We are also planning a garden party in August, venue to be decided. By September we will have earned our holiday to Liverpool. This year is flying by, let's enjoy every minute!

We meet at the Memorial Hall on the second Tuesday of each month at 7:30PM. New members and

After the restrictions of the past two years it was lovely to be able to keep the church doors open after the morning service on 8th May, and welcome visitors in. Some had come in during the service and stayed for a while. The church tour was attended by 12 people (and 2 greyhounds!) and many others visited during the course of the afternoon. When the weather is fine, we will endeavour to open on as many Sundays as possible. We have started having flowers in church again, and a rota to sign up for church opening and flowers has been placed at the back of church.

## JUBILEE CELEBRATIONS

On Thursday 2nd June from 7-30pm to 8-45pm we will be serving food, tea, coffee and squash in and around the church. There will be no charge for this. At 9-00pm the beacon in the churchyard will be lit.

On Sunday 5th June at 10-00am Bruce will lead a Service of Celebration for the Queen's Jubilee. This will include items by pupils from Shardlow School. This will be followed by light refreshments. Everyone is very welcome. PLEASE NOTE THE CHANGE OF TIME.

## COFFEE MORNING

The next coffee morning will be on Saturday 25th June from 10-00am to 11-30am. Come along and enjoy a coffee and chat. As well as many books in the community library we have a lot of jigsaws which can be borrowed. The April coffee morning was very busy just as it was before the pandemic. It was lovely to see everyone again.

Open Day 2<sup>nd</sup> May

After an unavoidable delay our long promised Open Day was a wonderful success! We were delighted to welcome many visitors to our beautiful church, several of whom were local walkers who had discovered St James' during lockdown and who took the opportunity to explore inside. Thank you to Tony Luke for officially opening our new Harpur Room and to everyone who contributed to making the day a huge success. The amazing tombs in the Harpur Chapel and other family artefacts were of special interest to many and our visitors enjoyed hearing about the long and varied history of our church and village. The history boards were kindly loaned to us by Barbara Foster and we are hoping to create a similar permanent display once a suitable display board can be sourced.

Our next event will be a repeat of the very popular "Tea and Cakes by the River" - look out for more information in the coming weeks.

## Weston on Trent

A Weston church is now designated a Festival Church. This is a church building which is not used for weekly worship, but is valued and required by the community for local events and for Festivals of the Church and for Rites of Passage (Baptisms, Weddings, Funerals).

## **A Rambling Cafe.**

ARC is a new venture started mid May. If out for a Walk/ramble call in on Saturday/Sunday between 10am-4pm for a refreshing brew. Tea bags, coffee, powdered milk, sugar, mugs, water & kettle all there for you to use and some times a chocolate bar! Honesty jar if you feel obliged to make a donation. Information on what to do with your used crockery and waste is on the counter top. To help we have also rearranged a few pews to enable a seating area whilst enjoying your drink. (see photo's) It was tried out at the friends gardening group in May.

## St Mary's Copse.

Following a meeting with Nigel Sharrett from DAC, permission has been given to begin clearing work in the copse to enable light to enter and to clear the floor of ivy. This will enable other plant species to colonise the area and therefore attract insect etc.—in other words to increase the biological diversity of the copse. There will be more details made available as the scheme progresses. Another project of wilding the area and possible tree planting was also discussed. Wilding area could be trailed to enable visitors to explore and enjoy the area. The planting of trees would require a faculty along with a plan of tree locations.

### June Facts.

June was called the “sera monath” (also known as dry month) by the Anglo-Saxons. In the UK, June is celebrated as the national smile month. The month of June is believed to be named after Juno the Greek goddess. Wimbledon, the famous English tennis tournament, is played in the month of June. Rose is the birth flower of June. June babies are fortunate enough to have two birthstones. These are pearl and alexandrite
